

CV

Juliana Neuhuber (born 1979 in Kirchdorf/Krems, Austria) has directed films since 1998 and holds a degree in art history and film/theater/media studies from the University of Vienna. Works as a director, writer and editor for film and TV projects, collaborating in the creation of short- and feature films, documentations as well as advertising and the occasional music video. Her main focus are genre films, and contemporary social topics.

With her 2009 founded full-service media production company Traum und Wahnsinn Filmproduktion (previously Juliana Neuhuber Multimedia Agentur) she has produced a large number of films for various clients, ranging from small and medium size companies to NGOs and museums.

And was also part of the PROPRO 2019 Training for Producers.
